Commissioner for Patents

The amendment document filed on November 10, 2008 is considered non-compliant because it has failed to meet the requirements of 37 CFR 1.121. In order for the amendment document to be compliant, correction of the following item is required:

In the amendment to the claims, each claim has not been provided with the proper status identifier, and as such, the individual status of each claim cannot be identified. Note: the status of every claim must be indicated after its claim number by one of the following status identifiers: (Original), (Currently amended), (Canceled), (Previously presented), (New), (Not entered), (Withdrawn) and (Withdrawn-currently amended). Specifically, Method claims 27-35 do not have the proper status identifier and these claims are (Withdrawn) or (Withdrawn-currently amended).

Applicant is given one month or thirty (30) days, whichever is longer, from the mail date of this notice to supply correction. The correction required is only the corrected section of the non-compliant amendment in compliance with 37 1.121
